about living legacy

The Living Legacy program provides an opportunity for park supporters to donate funding for specific park amenities. Your donation will fund the purchase and placement of the designated park feature, and includes a plaque commemorating the donor on or adjacent to the improvement. The donor will be provided a letter acknowledging the donation and will also be provided a schematic map depicting the location of the improvement. The specific park amenities include art sculptures, benches, trees or a picnic table and can be included in most of our parks or facilities.

about veterans honor park

The Veterans Honor Park is a beautiful and welcoming place that will allow veterans, their families and the public to honor the significant role of the Armed Forces in the United States. Located next to the Chesterfield Amphitheater in Central Park, the park will be educational, engaging, uplifting and safe. Visitors will find educational discovery and contemplative retrospection about our Armed Forces and their sacrifice for our nation. But we need your help. Your support is critical in raising funds for park construction. All donations are tax deductible to the extent allowed by law. All proceeds will benefit Veterans Honor Park. For more information, news about the park, sponsorship opportunities or to make an online donation, please visit vhp.chesterfield.mo.us.
